June 2018

Dear Parents

### **A Level Results Day**

I am writing to thank you for your support this year. Like you, I am very aware of the stresses your child has been under in the run up to and during this examination period and I look forward to celebrating with you, their successes on A Level Results Day – Thursday 16 August 2018. School will be open from 8.30am to 11.00am to collect results.

If students are unable to collect their results in person, they have two options:

- Leave a stamped addressed envelope with the Examinations Office before 13 July 2018.
- Complete a Results Collection Request Form (available from the Sixth Form Admin Office or Examinations Office) to nominate a named family member to collect them on the day. The student must complete the form and pass it to the nominated person to bring with them on the day, together with their photographic ID.

This is certainly not goodbye; I look forward to welcoming you and your child back to our Senior Awards Evening on Monday 17 December 2018.

Our past students remain very important to us, so please encourage them to always keep in touch and we would very much like them to join the school alumni network at <https://networks.futurefirst.org.uk/student/tadcaster>  
We always look forward to hearing from them about their future successes and opportunities that come their way.

Yours sincerely

Mrs R Knapton

Assistant Headteacher: Director of Sixth Form

Head of School: Wendy Wilson B.Sc. (Hons)
