Dear Parents

### **Design and Computer Technology – GCSE Computer Science**

As part of the GCSE Computer Science course the department is offering official revision guides written specifically for the OCR exam board. These Design and Computing Technology revision guides can be purchased from the school at a discounted rate of £3.00. These books will help students complete homework tasks, prepare for lessons relating to theory units and revise exam content which will makes up 80% of their final grade.

Yours sincerely

Mr R Remillard
