

Tadcaster Grammar School

'A Culture of Excellence'

21 May 2018

Dear Parents,

Visual and Performing Arts Summer Showcase and Art Exhibition: 4 July 2018

Tadcaster Grammar School Visual and Performing Arts Faculty is holding a Summer Showcase and Art Exhibition on Wednesday 4 July.

The Art Exhibition will take place in the Art Department from 5.00pm – 7.00pm. This is a fabulous opportunity to view a selection of outstanding work from across all key stages.

The Summer Showcase begins at 7.00pm in the Main Hall and will be an evening of music and drama presented by our students in years 7-10.

There is no charge for admission, but we will be accepting donations on the door to raise money for the refurbishment of the stables to create our new autism base. Refreshments will be available during the interval.

Students performing in the concert should arrive at school no later than 6.30pm and register in their designated area. Music performers should be in school uniform. Drama students will be in costume as advised by their teacher.

Please complete the reply slip below giving consent for your child to take part in the Summer Showcase concert. I look forward to seeing you there!

Yours sincerely,

Ms S Buckley
Faculty Leader: Visual and Performing Arts
