'A Culture of Excellence'

July 2018

Dear Parents

FRENCH EDUCATIONAL VISIT - MONDAY 08 July-Friday 12 July 2019

It is my intention to organise a 5 day cultural and linguistic enrichment visit to the Opal Coast in France with NST. This visit is aimed at students studying French in Year 10.

The course combines language based activities with excursions and is intended to help the students improve their knowledge of the subject and develop their confidence in a range of skills required for their examinations.

The cost of the visit is £570 and includes:

- transport by coach
- full board accommodation
- language workshops
- off-site excursions
- evening entertainment
- extensive travel insurance.

I intend to take 20 students overall.

If you wish your son/daughter to take part in the visit, please pay a non- refundable £50 deposit via parent pay by the 12 September 2018.

In the event of the visit being oversubscribed, participation will be decided by the drawing of lots. Further deposits will be due at a later date and will be notified when confirmation of a place is received. If you have any queries at this stage, please do not hesitate to contact me.

For parents of students who have been advised they are eligible for Pupil Premium and wish to be considered for this visit, they should contact Mrs Hubbard, Pupil Premium Leader regarding assistance with funding.

Yours sincerely
