

Tadcaster Grammar School

'A Culture of Excellence'

28 March 2018

Dear Parents

Year 11 - National Citizen Service

Yesterday Flying Futures delivered an assembly offering Year 11 students the chance to sign up to the National Citizen Service (NCS).

The scheme, which is endorsed and funded by the government, offers students the opportunity to attend residential and non residential team building courses culminating in a social action project during the summer period.

During the assembly students were given information letters from NCS/Flying Futures about the scheme. To clarify, although the letters carried the Tadcaster Grammar School crest, this programme is not organised or led by Tadcaster Grammar School. The activities are wholly organised and led by Flying Futures and there will be no Tadcaster Grammar School staff present at any of the activities.

If you would like further information please contact Flying Futures directly on 01937 222189 or via their website www.flyingfutures.org

The NCS scheme is a great opportunity for students; I do hope that those that take advantage have an enjoyable experience.

Yours sincerely

Ms Luci Davies
CEIAG, Community and Business Links Manager
