Dear Parents

### **Year 12 Key Dates**

May I firstly take this opportunity to welcome you back to the final term of Year 12.

We are now well underway with the A2 course content and, with our second formal assessment point in June, revision should be at the forefront of students' independent study time. The need for continual revision of units covered is one of the key areas of success in a linear programme. Students should also now be regularly accessing past papers, examiners comments and completing independent study tasks e.g. mind mapping, extended research etc.

This term also sees us beginning the process of applying for UCAS and looking at other Post-18 options. Should you require any support regarding careers advice, please do not hesitate to contact our Careers Manager, Ms Davies ([l.davies@tgsch.uk](mailto:l.davies@tgsch.uk))

I am enclosing a list of key dates for you to add to your calendars so you can support our students during the remainder of this academic year and into the next.

If you need any further support or guidance please contact your child's tutor or myself and Mrs Gadsby.

Yours sincerely

Mrs R Knapton  
Assistant Headteacher: Director of Sixth Form
