Dear Parents

Year 13 Stand Down

This Friday marks our Year 13 Leavers' Assembly and the beginning of the formal A2 examination period.

I am so proud of your child's work ethic this year; it has quite simply been exemplary and something our students can be very proud of.

I am also aware of the unique pressures this time of year brings, so please do keep in touch with myself or Mrs Gadsby if you have any concerns at any point over the next few weeks.

As a year group, I am confident that they will cope extremely well and I will be at the start of all examinations to support and encourage.

We can then look forward to Prom to celebrate all their hard work and achievements.

As a reminder, Results Day is on Thursday 16 August and results can be collected in person from S1 between 8.30am and 11.00am and I look forward to sharing the excitement and celebrations of the day.

Please note:

We do not email or telephone exam results so, if students are unable to collect their results in person, there are only two options available to them:

- Leave a stamped addressed envelope with the Examinations Office before 13 July 2018 for results to be posted.
- Complete a Results Collection Permission form for a nominated family member to collect your results on your behalf (available from the Examinations Office).

Yours sincerely

Mrs R Knapton
