

Tadcaster Grammar School

*'A Culture of Excellence'*

14 May 2018

Dear Parents

**Year 7 End of Year Science Examination**

During the week commencing the 11<sup>th</sup> June 2018 our year 7 students will be carrying out their half year examination on the following topics:

Practical skills, Cells, Electricity and Magnetism, Acids, Forces, Particles, Elements and compounds, Energy and Space.

There are revision resources on the school VLE (<https://vle.tadcaster.n-yorks.sch.uk/moodle2/>) for the students to access for each of these topics and they all have notes in their lesson books from which to revise from.

This exam, along with the half year 7 exam and the end of topic tests, will be used to set your child for the next academic year. Hence, please could you support your child in reminding them about the date and ensuring that they are revising in preparation for this examination.

Please do not hesitate to contact me on [z.burgess@tgsch.uk](mailto:z.burgess@tgsch.uk) if you have any further questions.

Yours sincerely

Dr Z Burgess  
KS Leader: Science

Headteacher: Martyn Sibley B.Sc. (Hons)  
Toulston, Tadcaster, North Yorkshire,
