Dear Parents

Ski Visit – Courmayeur, Italy – February 2019

It is my intention to organise a week skiing in Courmayeur, Italy travelling by coach with Interski – a firm favourite with past skiers. The school has used this company for several years and has been impressed with their care and consideration. I have no hesitation in recommending this ski package to you.

This interesting and picturesque ski area, in the Aosta Valley, has an array of lifts and caters extremely well for all ski abilities. We will be based in the Hotel Telecabinne, a short walk to the cable car. The accommodation is clean and warm and the bedrooms all have a private bathroom with a shower.

The ski week will take place during February Half-Term. The cost of the ski visit for the Year 2019 is £795.00 and I confirm the package as follows:

Departure date: Saturday 23 February 2019
Return date: Sunday 3 March 2019

- Breakfast en-route – both outward and return journeys
- Comprehensive insurance cover
- 6 day lift pass
- Full board whilst at the resort (luncheon vouchers each day on the mountain)
- 2/3/4 students per room
- All equipment hire (skis, boots, sticks)
- 4 hours of supervised skiing per day with qualified instructors
- Full apres-ski programme including swimming, bowling, skating etc.
- Service of a resort representative
- Full Association of British Travel Agents protection

I intend to take 42 students, all of those from the present Year 7 intake. I wholeheartedly recommend the above package to parents, as this has been individually tailored to meet our school's requirements.

If you wish your child to participate in the above, please go onto Parent Pay and pay the deposit of £75.00 by **Friday 10 November 2017**. In the event of the visit being oversubscribed, participation will be decided by the drawing of lots. Further instalments are due at a later date. You will be notified when confirmation of a place is received. If you have any queries at this stage, please do not hesitate to contact me on r.solk@tgsch.uk.

Yours sincerely
