

Tadcaster Grammar School

'A Culture of Excellence'

21st May 2018

Dear Parents

End of Year 8 Science Exam

The week commencing the 25th June 2018 year 8 students will be carrying out their end of year 8 examination on the following topics:

Year 7 topics -

Particles, Space, Classification, Cells, Electricity and Magnetism, Elements and Compounds, Acids, Chemical Reactions, Forces and Reproduction.

Year 8 topics -

Keeping healthy, Life support, Heating and cooling, Moving round, Periodic table, Metals, People and the environment and Shaping life.

There are revision resources on the VLE (<https://vle.tadcaster.n-yorks.sch.uk/moodle2/>) for the students to access for each of these topics and they all have notes in their lesson books from which to revise from.

This exam, along with the half year 8 exam and the end of topic tests, will be used to set your child for the next academic year. Hence, please could you support your child in reminding them about the date and ensuring that they are revising ready for this exam.

Please do not hesitate to contact me on z.burgess@tgsch.uk if you have any further questions.

Yours sincerely

Dr Z Burgess
