

Tadcaster Grammar School

'A Culture of Excellence'

September 2018

Dear Parents

Design and Technology – Year 7

During the next three years, your son/daughter will complete a number of practical projects including electronic and mechanical systems, which they are able to take home. They will also be supplied with an A4 folder in which to protect all their design work.

To enable the department to buy in quantity and thus reduce the individual cost of each project we would be grateful if you could make a one-off contribution to cover Years 7, 8 and 9, of £22, towards the cost of the materials supplied rather than the department charging for each individual project.

I would be grateful if you could arrange payment by logging on to ParentPay and pay the pack price of £22.00. You will receive your login details for ParentPay early in September.

Thank you for your co-operation.

Yours sincerely

Mr J Bell
Head of Design and Technology

Head of School: Wendy Wilson B.Sc. (Hons)
