*'A Culture of Excellence'*

September 2018

Dear Parents

## GCSE PE Information Evening - Wednesday 26th September - 6.00pm

As part of your child studying GCSE Physical Education, I am writing to inform you of an important Information Evening. As you are hopefully aware your child must complete the non-examination assessment (NEA) component of the GCSE Physical Education course and this information evening will provide you and your child with essential information and guidance to support them during this component. As this is worth 40% of the overall grade, I hope you see the value of attending the information meeting. Students must offer one team activity, one individual activity and one other activity (team or individual). Students may be required to submit DVD evidence of any activities they do out of school.

We will cover the following:

- Structure of the GCSE PE course
- Structure of the non-examination assessment (NEA)
- Practical activities accepted by the examination board
- Practical activity criteria
- How to make effective DVD evidence
- Examples of DVD evidence
- Dates for submission of DVD evidence

As parents usually do the majority of the filming we would like you to be fully aware of the quality expected by the exam board.

Can you please go onto <https://goo.gl/forms/cGCyMwqJa0RCacyu1> by Wednesday 19 September to confirm your attendance. If you have any questions regarding this information meeting, please do not hesitate to email me - [k.mcgeechn@tgs.starmat.uk](mailto:k.mcgeechn@tgs.starmat.uk).

I look forward to seeing you on the 26th September.

Yours sincerely

Mrs K McGeechan  
Subject Leader: GCSE Physical Education

Head of School: Wendy Wilson B.Sc. (Hons)  
Toulston, Tadcaster, North Yorkshire,
