

Tadcaster Grammar School

'A Culture of Excellence'

September 2018

Dear Parents

Start of Year Information

Welcome back to a new school year. The summer saw some wonderful results for so many of our students in both Year 11 and Year 13, many of whom embark on a range of Further and Higher Education courses this month. The school site is looking fantastic, with many improvements completed over the summer break. I would also like to complement our students, having returned looking very smart and with a very positive approach. Our new Year 7 students are also settling in very well and meeting our high standards.

Our Parents' Calendar is now available to view on our website with details of events taking place during the academic year, but I wanted to highlight one forthcoming event. We have our annual Open Evening on Thursday 20 September starting at 5.30pm. To allow us to prepare, the school will close at 12.25pm for students. However, we look forward to many students returning to showcase their school that evening.

Soon I will be issuing my September Newsletter which will contain more details about our results, together with updates for the beginning of the new academic year.

With my best wishes for the forthcoming academic year.

Yours sincerely

Mrs W Wilson
Head of School
