September 2018

Dear Parents

Watersports Activity Visit – July 2019

I am writing to inform you of a change of location for this visit and the flight details for the forthcoming Watersports visit in July 2019.

As you are aware, the plan was to stay at La Fosca campsite in Spain. However, during the Summer holidays PGL, the tour operator, informed me that this campsite is no longer taking school bookings. However, I am pleased to inform you that we have been re-located to Mimosa Campsite just outside Cape D'Agde in the south of France. This is good news as it was where the students who went on this visit last month stayed. They had a fantastic time!

I can also confirm the flight arrangements which were purchased prior to the change of location. Whilst the transfer is slightly longer, the flight times will work out really well. These are as follows:

22/07/19	East Midlands – Barcelona	0935-1250	Ryanair
28/07/19	Barcelona- East Midlands	1335-1450	Ryanair

Further details regarding the visit (including departure and return times from school) will be available nearer the time at the Parents' Information Evening. Details of this will be available in early 2019.

Can I please request a photocopy of your child's passport details from their passport by the end of September. This will be provided to the tour operator for the flight details.

I hope you find this information useful. If you have any questions regarding the change of arrangements can you please contact me at r.solk@tgs.starmat.uk by Monday 10 September at the latest. **If I do not hear from you, I will assume that you are happy with the new location and will confirm your child's place with the tour operator.**

Yours sincerely

Mr R Solk
