'A Culture of Excellence'

October 2018

Dear Parents

GCSE Languages

In order to aid revision for both the mock and final GCSE exams in MFL, I would encourage the purchase of a revision guide to help vocabulary building and a workbook to help with Listening and Reading skills. The resource we would recommend would be:

Pearson's REVISE AQA: GCSE French/German Revision Guide and REVISE AQA: GCSE French/German Revision Workbook.

Both books retail at **£5.99** each (RRP) but the publisher has agreed to sell both books for **£3.00** each through the school, if we purchase sufficient copies. The guide and workbook are available to pay for on Parentpay.

For parents of students who have been advised they are eligible for Pupil Premium, the cost of these resources will automatically be taken from their Pupil Premium funding. There is no need to purchase these items.

Once all replies have been collated and the guides paid for, we will be able to order the books. Please indicate on the reply slip below the language and the name of your son/daughter and return to us no later than Tuesday 23 October 2018.

Please do not hesitate to contact your son/daughter's Languages teacher should you have any further questions.

Yours sincerely

Mrs M-C Butterworth
Subject Leader: French

Miss A Helliwell
Subject Leader: German

Please return to Mrs. Simpson in the L5 Languages Office

I confirm that I would like:
