

Tadcaster Grammar School

'A Culture of Excellence'

October 2018

Dear Parents

Non Uniform Day - World Values Day and our Autism Base

To mark World Values Day we will be hosting a non-uniform day on Friday 19th October.

World Values Day challenges us to think about our own values and the values held by the school community we belong to, and encourages us to act on those values. As a school we hold the values of individuality, diversity and inclusion at the heart of what we do and therefore feel it is important we celebrate and support them.

We would ask that students, as usual, donate £1 and all the funds raised will go towards the ongoing Stable Block - Autism Base refurbishment, which is a clear example of how the school holds these values close.

As you may be aware we have made some fantastic progress on The Autism Base, but there is a long way still to go, including creating an outdoor space with sensory learning areas. It is hoped the funds raised by this non uniform day will do this. We have already been quite overwhelmed by the generosity of our community in supporting this project in many different ways, but we are still looking, so if you feel you may be able to provide us with even more support for this project, please do not hesitate to get in touch.

Yours sincerely

Ms C Mulhern
Deputy Headteacher: Care & Guidance
