Dear Parents

Year 13 Feedback and Key Dates

I am writing to you to say how impressed I have been by Year 13's current attitude to their studies. It has been wonderful to hear about all the work completed over the summer so that students began Year 13 at the top of their game.

The feedback to our new Guided Learning Hour scheme has been very positive and is giving students regular feedback and information about where they are at and what they need to do. It is also giving them a chance to go back over Year 12 work which will be needed in the examinations.

Please maintain your encouragement that every hour of independent time now needs to focus on their academic studies.

I am also attaching a list of the current key dates for the coming academic year.

Yours sincerely
