

Tadcaster Grammar School

'A Culture of Excellence'

02 October 2018

Dear Parents

For those parents who have not ordered a chromebook through the school endorsed scheme, and now wish to do so, please bear in mind that the portal on the school website where you can order a device **closes this Friday 5 October**.

[CLICK HERE](#) to access more information.

Please do not miss this deadline if you wish to take advantage of the initiative. Over 90% of students now have a chromebook through the scheme, or are bringing their own chromebook into the classroom. If you wish your son/daughter to bring their own chromebook to school, you will need only to purchase a Google Education license, (£20) for which an order form can be found on the school website.

Many thanks once again for all of your support to date.

Mike Dunphy
Assistant Headteacher
