The Parents Information Evening will be held on Thursday 21 February where I will share our detailed itinerary and key information for the visit.

**Even though the visit is over 4 months away please can I ask you now to check the expiry dates on your child's passport and EHIC card? If they are due to run out before/during or within 6 months of the visit taking place, please start the application process early. Due to uncertainties with the outcome of Brexit we advise this is done promptly.**

It is my duty to also outline again the cancellation costs if there were to be any issues with your child attending. As the flights have now been booked, if you were to cancel now you will lose this cost as well as your deposit. If a cancellation has to be made after 1 January 2019 you would lose 60% of the total cost of the visit, this then goes on a sliding scale and ends two weeks before departure when the full sum would be lost.

Can I please ask that you complete the attached indemnity form and return it to school no later than 14 December 2018.

If there are any problems with the above please do not hesitate to contact me using the following email address.

Yours sincerely
