

29 January 2019

Dear Parents

Appointment of Chief Education Officer for the STAR MAT

I am writing to inform you that the Trust Board have made the decision to appoint Mr Martyn Sibley to be the permanent Chief Education Officer for the Star Multi-Academy Trust from September 2019.

We believe that this is a significant moment in the development of the Trust and we are delighted that Martyn has accepted our offer.

As a consequence the Trust Board and Governing Body of Tadcaster Grammar School will shortly be beginning a recruitment process to appoint a substantive Headteacher for TGS. We will inform you of the outcome of that process once it is completed.

Yours sincerely

Claire Thornton-Eckford
Chair of the Trust Board
