January 2019

Dear Parents

Year 13 Psychology Revision Conference - Friday 3 May 2019

As part of the current Psychology course, the Psychology Department is offering students the opportunity to attend a one day revision conference held at school. The sessions will be led by an ex Principal Examiner with 13 years experience in writing Edexcel Psychology examination papers and awarding grades to students. He has been providing INSET to schools and colleges nationally since 2003 and was part of the team that wrote the current specification.

Aims of the day:

- Increase student understanding of assessment demands for all topic areas
- Receive key feedback from recent A Level examinations
- Take part in a range of interactive activities to fully understand content
- Understand examiner insight and teaching ideas to raise student attainment
- Students to be fully motivated to revise and become properly prepared for their examinations.

This is an excellent opportunity for your child to build on their examination skills from someone who has supervised the marking of thousands of candidates' examinations over the last 13 years.

The date of the Revision Conference is Friday 3 May 2019 from 9.00 am - 3.15 pm and the cost is £25 per student. If you wish for your child to take part in the day, please make a payment on parentpay for the full amount by Friday 1 March 2019.

I feel that this opportunity will be truly beneficial to all students. Do not hesitate to contact me if you require any further details.

Yours sincerely,

Mrs K Mitchell
