

7 February 2019

Dear Parents

AQA GCSE Science Workbooks

I am writing to offer you the chance to buy workbooks for your child which will help to prepare them for their GCSE Science examinations. Please note, these are different resources to the revision guides that I have previously sold.

The workbooks are published by Oxford University Press. I will be selling a pack of 3 workbooks for Combined Science for £10.94 or a pack of 3 workbooks for Separate Sciences for £14.55. This represents a significant discount when compared to RRP.

The table below will show which workbooks are appropriate for your child:

Science curriculum studied (Year 11 class sets)	Workbooks that are relevant
Separate Sciences (Sets 1a,1b)	Year 11 Separate Science workbook pack (Higher)
Combined Science (Sets 2a,2b)	Year 11 Combined Science workbook pack (Higher) OR Year 11 Combined Science workbook pack (Foundation)
Combined Science (Set 3)	Year 11 Combined Science workbook pack (Foundation)

Please note, a small number of students in sets 1a and 1b are following the Combined Science curriculum pathway. If your child is in this situation you will have received a letter from me telling you this.

In addition a small number of students in set 1a and 1b are following a Foundation entry in one or more of their Separate Sciences. If your child is in this situation you will have received a letter from me telling you this. We do not have any Foundation workbooks but the Higher workbooks will more than cover the Foundation material.

Set 2a and 2b students have all been informed if they are following a Higher or Foundation entry.

The Workbooks are available on a first come, first served basis (supplies may run out).

If you would like to purchase one or more of the workbooks, then please pay for them using Parent Pay by Monday 18 February. The workbooks on Parent Pay have exactly the same names as in the table above. You will need to either select the “Year 11 Separate Science workbook pack (Higher)”, the “Year 11 Combined Science workbook pack (Higher)”, or the “Year 11 Combined Science workbook pack (Foundation)”.

There is no need to purchase more than one pack, but you will need to ensure that you have chosen the correct pack for your child, as I will not be checking that the correct pack has been ordered on an individual basis.

If your child receives Pupil Premium, your child will receive a workbook pack provided by the school.

If you would like any more information about the workbooks, please do not hesitate to contact me on my email: p.gomersal@tgs.starmat.uk

Yours sincerely

A handwritten signature in black ink that reads "P. Gomersal" followed by a small dash.
