Dear Parents

Sports Leadership & Officiating Opportunities

It is my intention to arrange a number of Sports Leadership and Sports Officiating courses for students. These courses will be in a variety of sports and the dates and timings will be subject to the availability of the course provider. An overview of each of the courses can be found on the google form below. Further details regarding the dates, times and cost will be available in due course but at this stage I am trying to find out the demand for each of these courses.

The courses will provide your child with the opportunity to develop their leadership and communication skills and should they pass the course, a certificate to start them on the pathway to coaching and/or officiating! Also, they will then be able to help with extra-curricular clubs and their local sports clubs.

If your child is interested in any of these courses, could you please complete the google form <https://goo.gl/forms/HwAgFeppJnWljUCc2> by Friday 22 February 2019 at the latest.

If you have any questions regarding these courses, please do not hesitate to contact me - r.solk@tgs.starmat.uk.

Yours sincerely

R Solk
