

Tadcaster Grammar School

'A Culture of Excellence'

Academic Year 2018-19

Dear Parents

CYCLING TO SCHOOL

It is a Schools Safeguarding requirement that School has a log of students who cycle to school. Could you therefore please complete the form below and ask your child to return it to me in the Main Office as soon as possible if they intend cycling to school this academic year.

An area behind Toulston Lodge is designated for cycles and we ask that students provide their own secure way of fastening their cycles to the rings provided.

Please note that the School does not accept responsibility for damage to, or loss of, cycles on the school site.

Yours sincerely

MS V JONES
Student Transport Manager
