'A Culture of Excellence'

March 2019

Dear Parents

Social Sciences Staffing

Due to staff absence we have made some alterations to the Social Sciences timetable to ensure that students in this crucial stage of the year have specialist teaching staff. The changes are as follows:

13-A Psychology - Some students will be moved into 13-C, this will leave a smaller group that will be taught over 6 hours by Mrs Mitchell. Extra time will be offered to these students through intervention sessions and on the upcoming training days.

13-C Psychology - will all be taught by Mrs Mitchell

13-B Sociology - will now be taught by Mrs Knapton and Mrs Bland

13-D Sociology - no changes

12-A Psychology - Mrs Mitchell will teach the class for 4 hours a fortnight, for the remaining hours work will be set for students to complete. Extra teaching time will be given back to students when Year 13 have gone on study leave.

12-B Psychology - will all be taught by Mrs Mitchell

12-D Sociology - no changes

Mrs Mitchell will inform students of changes to individual class timetables as lessons may have moved timings and/or classrooms. New timetables will be printed for individual students and will be available from Mrs Tomlinson's office.

If you have any questions regarding this then please do not hesitate to contact myself, Mrs Mitchell or Mrs Knapton.

Yours sincerely
