'A Culture of Excellence'

April 2019

Dear Parents

Year 10 Snowsports Visit – 11-19 April 2019

I am writing to inform you that unfortunately, due to circumstances beyond our control, I will not be accompanying the Year 10 snowsports visit to Canada on Thursday.

I am pleased to say that Mr Ward, who has been the Deputy Visit Leader on a number of occasions, will be the Visit Leader.

All the appropriate paperwork has been passed onto Mr Ward and I can reassure you that all the other information I provided at the Information Evening in March remains the same.

He, along with the other members of staff, look forward to seeing you in the Bus Park at 7.30pm.

I hope your child has a fantastic time on the visit.

Yours sincerely

Mr R Solk
Faculty Leader: Physical Education
